

Thank You for Your Support!

Last year we held our first golf tournament to benefit a local family, with great success! We had such support and enjoyment that we are holding our second annual New Year Benefit Golf Tournament on Saturday, January 9th, 2010.

This year we have chosen the family of Chad and Nichole Sevigny. After giving birth to their third child, Nichole developed a fatal infection, leaving behind her; Husband Chad, and three children: Chase (4), Connor (2), and Caden (2mths). Anyone who has raised kids knows that it is no easy task!

We are asking to bring our community together to show our support for this local family.

So if you are a golfer or not, we highly appreciate anything you can do to support this family or improve the tournament. Donations of any kind will help!!

ALL PROCEEDS WILL GO DIRECTLY TO CHAD AND THE KIDS.

THANK YOU AGAIN FOR YOUR ONGOING SUPPORT FOR THIS FAMILY.
